About this property

*Expected Completion: June 2028

This four-bedroom apartment in the Six Senses Residences Dubai Marina will define apartment luxury in Dubai. The 5208.65 sq. ft. home will offer cosmopolitan living, world-class amenities and sweeping views of the Dubai Marina, Emirates Golf Club and the gently lapping waves.

The tower itself will be the world's tallest residential tower, and is the first-ever standalone branded residential development by the Six Senses brand. At 122 stories, it resembles a slender silhouette.

Inside, bespoke timber joinery and delicate bronze accents cast a golden glow, while natural wood finishes waltz with elegant metallic detailing. Double-glazed windows and doors, meanwhile, open out to balconies with enchanting views.

Elsewhere, the bedrooms' panoramic views stun, complemented by design features like herringbone parquet and imposing white columns. Five bathrooms enhance convenience.

The Dubai Marina itself is amongst the city's most high-end residential areas, a fact exemplified by elite tower amenities including:

- Indoor and outdoor cinemas
- Outdoor gym
- Infinity, massage and plunge pools
- Jacuzzi, and infrared, bio and Finnish saunas
- Library
- Games room
- Landscaped communal areas
- Crystal sound healing room
- Longevity clinic
- Meeting rooms
- À la carte services including limousine facilities, private fitness trainers and chefs
