About this property

Nestled on the tranquil shores of Ras Al Khaimah's Falcon Island, this upcoming, 5-bedroom villa offers family-friendly luxury with a private resident beach. 5423 sq. ft., and on a 11,151 sq. ft. plot located in the island's south, the serene residence by established developer Al Hamra will be the perfect island escape upon completion in Q1 2025. A sleek, modern exterior faces gently lapping waves – the perfect embodiment of the calm privacy on offer inside. The spacious interiors feature a contemporary design with a soft aesthetic and neutral colour palette, all enhanced by sweeping sea views. The 5 bedrooms, meanwhile, boast distinguished finishes and offer privacy, yet still look out upon the natural surroundings – blurring the lines between indoor and outdoor relaxation. 6 bathrooms accompany. Nearby amenities and destinations make for experiences where residents can switch on or off at will:
