About this property

This opulent three-bedroom apartment is part of the Palm Jumeirah's upcoming Ocean House, scheduled for completion by Q4 2025. Totalling 8620.17 sq. ft., it enjoys breathtaking views of not only the Arabian Gulf, but also the Palm Jumeirah, Burj Khalifa, Burj Al Arab and the Dubai Marina skyline.

A spacious balcony allows residents to enjoy these views. The lush landscape below extends vertically upwards here, making the residence resemble a vertical garden.

This relaxed luxury flows into the interiors, which enjoy a contemporary design with heightened ceilings, natural marble stone floors and soft colours. The three bedrooms, meanwhile, are accompanied by European-style wardrobes. The living spaces also connect to the outdoors via expansive windows.

The kitchen features a European design with an Italian marble counter and antique brass detailing, as well as high-end Miele appliances.

Ocean House itself blends contemporary design with its outdoor surroundings, a trait exemplified by its amenities:

- Multiple pools • Wellness spa • Fitness and yoga studio • Cinema • Library • Games room • Meeting room • Cigar room • Children's play area • Rooftop garden
