## About this property

Part of the Palm Jumeirah's upcoming Ocean House (by Ellington Properties), this four-bedroom apartment symbolises waterfront luxury in Dubai. The 9946.49 sq. ft. home enjoys views of the Arabian Gulf, Burj Khalifa, Burj Al Arab, Dubai Marina skyline and the Palm Jumeirah. It is scheduled to be ready by Q4 2025.

Residents can enjoy these views mainly from a spacious balcony that also welcomes greenery from the ground level to make for a vertical garden-style area. Vast windows also allow for this relaxed air to flow into the interiors, which maximise privacy. They feature a contemporary design with high ceilings, natural marble stone floors and soft colours. The three bedrooms extend this air, accompanied by wardrobes in a European design.

A sleek kitchen supports, equipped with high-end Miele appliances.

Ocean House itself blends contemporary design with its outdoor surroundings. Its world-class amenities exemplify this:

- Multiple pools • Wellness spa • Fitness and yoga studio • Cinema • Library • Games room • Meeting room • Cigar room • Children's play area • Rooftop garden
