

# Minimalist Apartment Living in Dubai Hills

Dubai Hills, Ellington House  
2 bedrooms · 1,360 built square feet  
AED 3,422,828

## About this property

Part of Dubai Hills' upcoming Ellington House, this two-bedroom apartment will offer an elevated, family-friendly lifestyle when complete. Totalling 1360.88 sq. ft., it enjoys views of the lush and landscaped Dubai Hills Golf Club.

The first residential project in Dubai Hills by established developer Ellington Properties, the tower strives to harmonise itself with the surrounding nature and tranquility. This is reflected in the apartment's spacious balcony, which features wood-panelled flooring.

This blending of indoor calm and outdoor serenity flows into the interiors via floor-to-ceiling windows. These living areas are minimalist by design, with white walls, sleek finishes and soft textures — a warm and welcoming ambience enhanced by the sunlight that pours in.

An adjoining kitchen with a sizeable island supports.

The bedrooms are similarly stylish and retain complete privacy, but also open out to the charming golf course views.

Residents can also enjoy elite tower and community amenities:

- Multiple pools
- Indoor and outdoor fitness studios
- Mini-putt
- Clubhouse with a games zone
- Sports facilities
- High-end dining and entertainment
- Dubai Hills Mall
- Dubai Hills Golf Club
