About this property

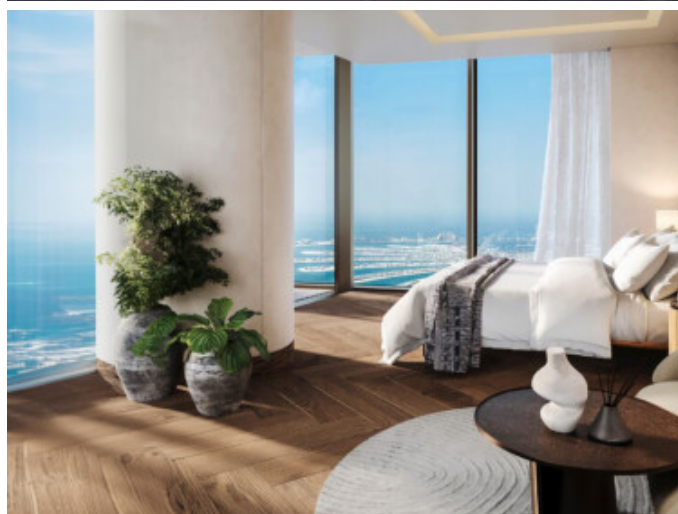

This three-bedroom apartment is part of the upcoming Six Senses Residences Dubai Marina, and will offer cosmopolitan luxury when complete. Totalling 3406.13 sq. ft., the charming home enjoys breathtaking views of the Dubai Marina, Palm Jumeirah and more.

The tower itself is Six Senses' first standalone branded residential development, and offers world-class amenities:

- Multiple pools and gyms • Jacuzzi, and infrared, Finnish and bio saunas • Steam and salt rooms • Hyperbaric treatment, longevity clinic and more • Yoga deck • Landscaped gardens • Library and study • Meeting rooms • Games room • Indoor and outdoor cinemas

The apartment, meanwhile, enjoys the enchanting views via a private balcony and floor-to-ceiling windows. This relaxed luxury flows into meticulously crafted interiors, with bespoke timber joinery, delicate bronze accents, and elements inspired by biophilia and classical Feng shui.

The bedrooms carry forward this air with herringbone parquet, Sleep With Six Senses amenities and further sweeping views.
