About this property

Surrounded by panoramic views of the Dubai Marina, Palm Jumeirah and more, this four-bedroom apartment is part of the prestigious Six Senses Residences Dubai Marina. Totalling 3325.94 sq. ft., the home is scheduled to be ready in 2028 and offers cosmopolitan luxury.

Residents can enjoy the views and comforting sunlight via a private balcony and floor-to-ceiling windows. These illuminate living areas meticulously crafted with design features like bespoke timber joinery, delicate bronze accents, and elements inspired by both classical Feng shui and biophilia.

The bedrooms, meanwhile, take this aesthetic and privacy further, with herringbone parquet and Sleep With Six Senses amenities.

The tower itself soars above the surrounding area, and is the first standalone branded residential development by Six Senses. It features world-class amenities:

- Multiple pools and gyms
- Jacuzzi, and infrared, Finnish and bio saunas
- Steam and salt rooms
- Hyperbaric treatment, longevity clinic and more
- Yoga deck
- Landscaped gardens
- Library and study
- Meeting rooms
- Games room
- Indoor and outdoor cinemas
