## About this property

This four-bedroom apartment is part of the upcoming Six Senses Residences Dubai Marina. Totalling 5094.34 sq. ft., the refined residence blends cosmopolitan luxury and world-class amenities, and will be completed in 2028.

Residents can enjoy enchanting views of the Dubai Marina, Palm Jumeirah and more via a private balcony and panoramic floor-to-ceiling windows.

These views pour into the interiors, which enjoy a modern design with features such as bespoke timber joinery, delicate bronze accents, and elements inspired by biophilia and classical Feng shui. The bedrooms further this aesthetic and relaxed air, with herringbone parquet and Sleep With Six Senses amenities, as well as further enchanting views.

The tower itself is the first standalone branded residential development by Six Senses, and prioritises wellness and relaxation in its amenities:

- Multiple pools and gyms • Jacuzzi, and infrared, Finnish and bio saunas • Steam and salt rooms • Hyperbaric treatment, longevity clinic and more • Yoga deck • Landscaped gardens • Library and study • Meeting rooms • Games room • Indoor and outdoor cinemas
