About this property

Wrapped by stunning sea views, this one-bedroom apartment is part of Bluewaters Island's prestigious Bluewaters Residences. The 1108 sq. ft. home is offered fully furnished, and blends urban sophistication with island tranquility.

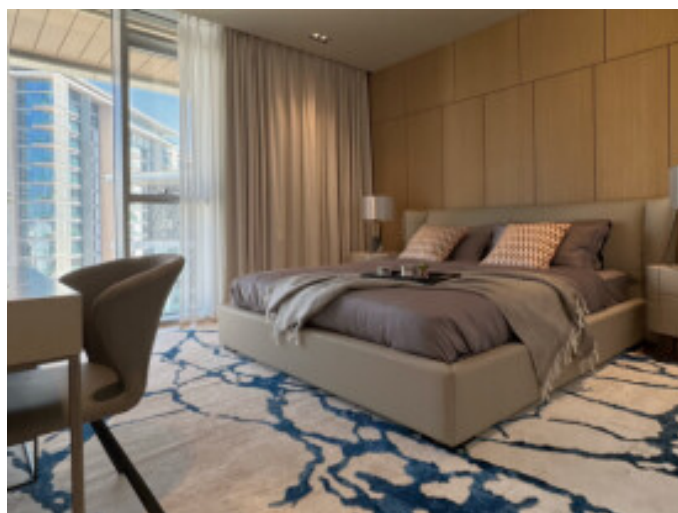

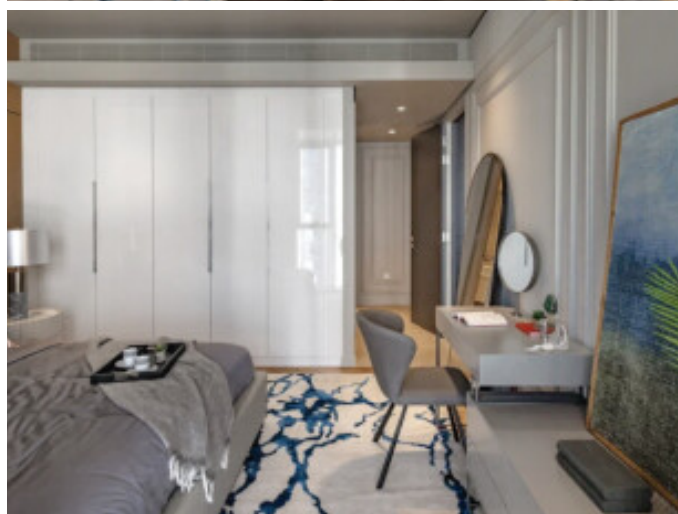

Residents can enjoy the views from panoramic floor-to-ceiling windows that bring the surrounding nature indoors. The interiors maximise these views while featuring a contemporary design. A neutral colour palette and minimalist design combine with the warmth of Scandinavian wood floors and soft metallic fixtures to make for an inviting air.

An open-plan kitchen with state-of-the-art appliances supports.

With their elegant bedding and high-end finishes, the bedrooms carry forward this style, retaining privacy and sophistication while opening out to the enchanting views as well.

Bluewaters Island itself is a premier leisure and family-friendly destination home to Ain Dubai — the world's largest observation wheel. Its amenities include:

- Gyms • Swimming pools • Basketball courts • Children's play areas • Landscaped gardens • High-end dining, retail and entertainment • Close to Dubai Marina and Jumeirah Beach Residence
