## About this property

This two-bedroom apartment on Bluewaters Island offers a tranquil blend of urban luxury and island calm. Part of the prestigious Bluewaters Residences, the 1464 sq. ft. home is fully furnished, and enjoys views of a lush park.

Residents can enjoy the stunning views via panoramic floor-to-ceiling windows. These allow the surrounding nature to flow into the interiors, which feature a contemporary design with elements ranging from neutral colours and a minimalist style to warm Scandinavian wood floors and soft metallic fixtures.

This is carefree luxury supported by an open-plan kitchen with state-of-the-art appliances.

The bedrooms carry forward this relaxed air; their elegant bedding and high-end finishes create sophisticated and private cocoons that simultaneously open out to the calming views.

Bluewaters Island itself is a premier destination for families and leisure in Dubai, and is home to Ain Dubai — the world's largest observation wheel. Residents here can enjoy a slew of elite amenities:

- Gyms • Swimming pools • Basketball courts • Children's play areas • Landscaped gardens • High-end dining, retail and entertainment • Close to Dubai Marina and Jumeirah Beach Residence
