About this property

Wrapped by views of a tranquil garden and shimmering sea, this two-bedroom apartment offers a coveted lifestyle that blends island living with urban luxury. The 1701 sq. ft. home is part of Bluewaters Island's Bluewaters Residences.

Residents can enjoy the views via a panoramic sweep of windows that maximise the outdoor nature while retaining indoor privacy. The interiors themselves feature a contemporary design, seamlessly bringing together elements ranging from neutral colours and minimalist flourishes to wooden flooring from Scandinavia and soft metallic fixtures.

An open-plan kitchen with state-of-the-art appliances supports.

The bedrooms, meanwhile, continue this aesthetic with elegant bedding and high-end finishes.

Bluewaters Island itself is a prestigious address surrounded by some of Dubai's most popular leisure destinations, including Ain Dubai — the world's largest observation wheel. Residents can enjoy world-class amenities:

- Gyms • Swimming pools • Basketball courts • Children's play areas • Landscaped gardens • High-end dining, retail and entertainment • Close to Dubai Marina and Jumeirah Beach Residence
