## About this property

This three-bedroom apartment in Bluewaters Island's Bluewaters Residences offers a unique mix of island living and urban luxury. Wrapped by stunning sea and park views, the 2023.62 sq. ft. home has been luxuriously upgraded and is offered fully furnished.

A corner terrace allows residents to take in the views, with ample seating and dining as well as lush greenery.

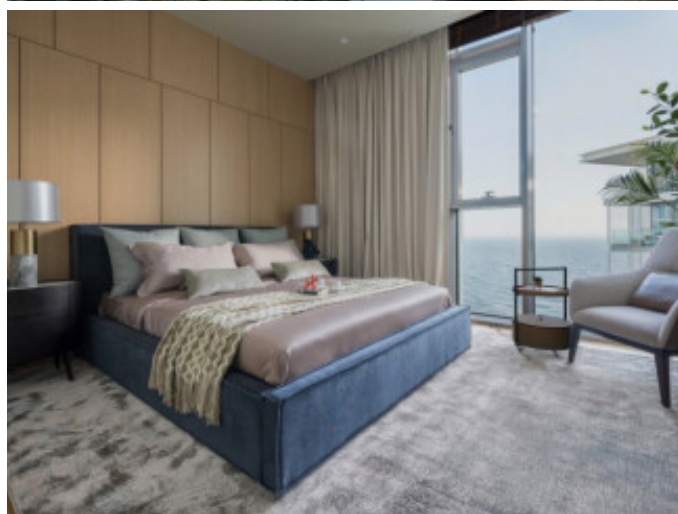

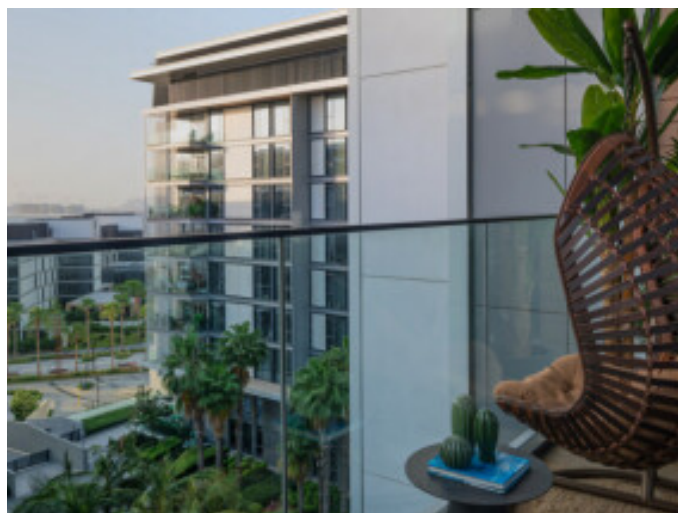

This is laid-back luxury that flows into the interiors, which enjoy a contemporary design. Polished wooden floors underpin spacious living areas with elegant rugs and chic décor in soft colours. All are wrapped by further enchanting views via floor-to-ceiling windows.

A maid's room enhances convenience.

The bedrooms, meanwhile, take forward this carefree air with elegant bedding, built-in wardrobes, and breathtaking views of the vast sea.

Bluewaters Island itself is a world-class leisure destination home to Ain Dubai — the world's largest observation wheel. Residents can enjoy elite tower and community amenities:

- Gyms • Swimming pools • Basketball courts • Children's play areas • Landscaped gardens • High-end dining, retail and entertainment • Close to Dubai Marina and Jumeirah Beach Residence
