About this property

This six-bedroom villa rests in Tlal Al Ghaf's tranquil Serenity Mansions, and will offer family-friendly luxury when complete. 12,887 sq. ft., and on a 11,243 sq. ft. plot, the lavish residence is surrounded by green views.

The home enjoys a serene outdoor setting — a glittering pool, chic wooden deck and lush greenery. This relaxed luxury flows into the interiors, which are a masterpiece in contemporary design inspired by the surrounding nature. Spacious living areas feature high-end finishes, a soft colour palette and expansive windows; all combine to make for a sophisticated yet inviting air.

The six bedrooms, meanwhile, are sleek sanctuaries that celebrate understated luxury with stylish bedding and soothing colours. Some also include wooden wall panelling and a fashionable walk-in closet, to say nothing of access to sizeable balconies perfect to unwind privately in as the sun sets.

Residents can also enjoy elite community amenities:

- Central Park • Lagoon Al Ghaf • Hive Beach • Outdoor cinema • Pools • Cycling and jogging tracks • Indoor and outdoor gyms • Sports courts • Children's play area
