About this property

This three-bedroom duplex apartment is part of Al Wasl's highly anticipated Muraba Veil. Totalling 8068 sq. ft., the residence overlooks the tranquil Dubai Canal and promises an ultra-luxurious blend of urban living and natural splendour.

Set to be ready by Q4 2028, Muraba Veil is a spectacle. Designed by Pritzker Prize-winning RCR Arquitectes, the ultra-thin tower blends traditional elements inspired by the desert, contemporary innovation, space, water and lush greenery.

The apartment itself features vast interiors inspired by classic Arabian homes in earthy colours. These are expansive living areas with greenery hanging from high ceilings, as well as a private inner courtyard. An outdoor corridor features floor-to-ceiling windows and placid pools.

Striking doors open out to an outdoor pool and a garden terrace, while a moveable stainless steel mesh separates the interiors from the outside. This creates a veil over the tower that provides shade, and changes based on light conditions — a meticulously designed interaction with nature.

Back inside, the three bedrooms continue this dance between indoor privacy and natural outdoor serenity. A balcony with sunken seating supports.

Residents can also enjoy world-class amenities:

- Multiple pools
- Wellness facilities including a spa, experiential pools, gym and more
- Cinema
- High-end rooftop dining
- Serviced majlis lounge
- Padel tennis
- Children's play area
- Conference room
- Concierge
