About this property

With uninterrupted views of Downtown Dubai including the iconic Burj Khalifa, this three-bedroom apartment will offer stylish urban luxury. The 1398 sq. ft. home is part of the upcoming Vida Dubai Mall, and is fully furnished.

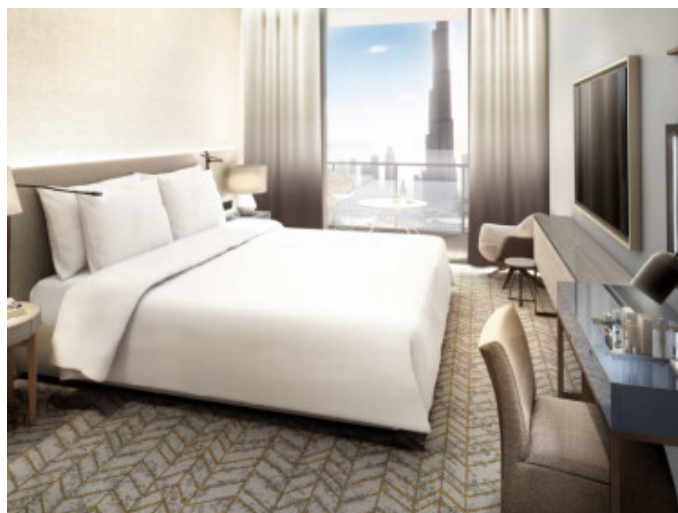

Located at the gateway to Downtown Dubai, the development itself comprises sleek, modern towers that are directly connected to the landmark Dubai Mall via a dedicated link bridge.

Residents can enjoy the outdoor buzz via a private balcony, as well as expansive floor-to-ceiling windows. The interiors are inspired by this vibrant atmosphere but retain a calm air. Spacious living areas feature a modern design with sophisticated finishes, timeless materials and chic furniture — the perfect spaces to unwind in or host intimate gatherings.

The three bedrooms carry forward this relaxed luxury with carpeted floors, neutral colours and elegant bedding, to say nothing of further enchanting downtown views. Four bathrooms accompany.

Residents can also enjoy elite amenities:

- Pool • Yoga pad • Children's play area • Events deck • Function terrace
