## About this property

Wrapped by exceptional views of the Burj Khalifa and wider Downtown Dubai community, this two-bedroom apartment will offer stylish urban luxury when complete. Totalling 1070 sq. ft., the elegant home is part of the upcoming Vida Dubai Mall, and comes fully furnished.

Connected to the landmark Dubai Mall via a dedicated link bridge, the development comprises ultra-chic towers.

Residents can indulge in this outdoor buzz via a private balcony, as well as sweeping floor-to-ceiling windows. The interiors imbibe this vibrant air but retain a calm atmosphere. Spacious living areas feature a modern design with high-end finishes, classic materials, and chic furniture that all make the spaces perfect to unwind in quietly or host gatherings with family and friends.

The two bedrooms carry forward this relaxed luxury with carpeted floors, neutral colours, elegant bedding, and further enchanting downtown views. Three bathrooms accompany.

Residents can also enjoy elite amenities including a pool, yoga pad, children's play area, events deck and function terrace.
