About this property

This 5-bed villa in the south of Ras Al Khaimah's upcoming Falcon Island defines tranquil luxury. 5423 sq. ft., and on an 8913 sq. ft. plot, the charming home also enjoys access to a private beach, essentially blending indoor and outdoor calm seamlessly.

A modern exterior faces gently lapping waves, a mix that is reflected inside with spacious interiors augmented by enchanting water views. These are living areas that enjoy a contemporary design with a neutral colour palette and chic finishes – perfect to unwind in privacy, or host lively gatherings with family and friends.

A state-of-the-art kitchen supports.

Elsewhere, the bedrooms are sizeable and open out to further beach views yet retain privacy in each room, reflecting the general air of this residence being a beach holiday made permanent. 6 bathrooms accompany, while ample parking supports.

Falcon Island itself will be one of Ras Al Khaimah's most sought-after residential communities upon completion in 2025, enjoying neighbouring amenities including tennis courts, pools, the Royal Yacht Club of Ras Al Khaimah, Al Hamra Golf Club and, come 2027, the integrated resort Wynn Al Marjan on Al Marjan Island.
