## About this property

Upon completion in 2028, this four-bed, 5712 sq. ft. apartment will be part of the Six Senses Residences Dubai Marina — set to be one of the tallest residential towers in the world and the first-ever standalone branded residential development by Six Senses.

Via a vast balcony as well as stunning floor-to-ceiling windows, residents can enjoy sweeping views of the prestigious Emirates Golf Club and (partially) the gentle seas surrounding the Palm Jumeirah.

This carefree luxury flows into the interiors, which have been fashioned out of timeless materials yet retain a chic and modern design. Bespoke timber joinery and delicate bronze accents cast a golden glow while natural wood finishes harmonise with elegant metallic detailing.

The four bedrooms feature a similarly sophisticated style with wooden, herringbone-patterned flooring and further floor-to-ceiling windows for the enchanting views. Four bathrooms accompany.

Elite tower amenities entice:

- Indoor and outdoor cinemas
- Outdoor gym
- Infinity, massage and plunge pools
- Jacuzzi, and infrared, bio and Finnish saunas
- Library
- Games room
- Landscaped communal areas
- Crystal sound healing room
- Longevity clinic
- Meeting rooms
- À la carte services including limousine facilities, private fitness trainers and chefs
