About this property

Expected to be ready in 2028, this four-bedroom, 3325 sq. ft. apartment will be part of the Six Senses Residences Dubai Marina — one of the tallest residential towers in the world and the first-ever standalone branded residential development by the Six Senses brand.

Residents can enjoy exquisite partial views of the tranquil Arabian Gulf and complete views of the prestigious Emirates Golf Club from their own balconies, as well as striking floor-to-ceiling windows.

This relaxed luxury flows into the interiors, which uniquely use timeless materials to create a chic and modern design. Bespoke timber joinery and delicate bronze accents cast a golden glow while natural wood finishes harmonise with refined metallic detailing.

The four bedrooms, meanwhile, are sophisticated and private. They feature herringbone-patterned wooden flooring and further floor-to-ceiling windows for the sweeping views. Four bathrooms accompany.

Residents can also indulge in world-class tower amenities:

- Indoor and outdoor cinemas
- Outdoor gym
- Infinity, massage and plunge pools
- Jacuzzi, and infrared, bio and Finnish saunas
- Library
- Games room
- Landscaped communal areas
- Crystal sound healing room
- Longevity clinic
- Meeting rooms
- À la carte services including limousine facilities, private fitness trainers and chefs
