About this property

This four-bedroom apartment in the Dorchester Collection's upcoming ORLA will redefine waterfront luxury when complete. Totalling 7352 sq. ft., the home is wrapped by breathtaking views of the sea, Palm Jumeirah and parts of the iconic Dubai skyline.

The tower enjoys architecture by Foster + Partners that is uniquely contemporary yet inspired by the surrounding nature. Vast terraces with crystal blue pools and outdoor dining areas allow residents to unwind luxuriously as the sun sets and rises over the glittering sea.

This relaxed luxury flows into the interiors via double-height floor-to-ceiling windows. The interiors themselves are awe-inspiring in their scale, enhanced by a sleek design, neutral colours and stylish finishes — cutting-edge sophistication balanced by timeless comfort.

A state-of-the-art kitchen supports.

The four bedrooms are similarly sophisticated with neutral and earthy colours, elegant bedding, chic rugs, lighting features that resemble golden rings and further floor-to-ceiling windows for the infinite sea views. Five bathrooms accompany.

ORLA itself sits on a grand beachfront plot, offering resident-only experiences and facilities meticulously managed by the Dorchester Collection:

- Resident-only beach club • Multiple pools • State-of-the-art spa • Fitness centre • Cycling and yoga studios • Cinema • Business centre • Library lounge • Cigar lounge
- Bowling alley • Pet grooming salon
